### Writing

Bill,

Good to hear from you! Of course I'm happy to share whatever tips and advice I can about planning a gap year.

Last year I spent two months in the Brazilian rainforest, working for an environmental organisation. It was a rewarding experience and I'd definitely recommend that you try something similar.

There are many helpful websites for finding cheap accommodation around the world. Also, I know of some programmes that locate jobs for gap year students. But it would help if you told me more. Where exactly in Africa is the project? What sort of work does it involve? Also, have you considered all of the difficulties involved in a project like this? It won't be all fun, you know.

Write back soon with some details of the project, and we can plan it together.

Yours,

Steven

### I Suggested Answer Key

I first met Mrs Ackerman on my first day of school. I was a bit anxious, as I had just changed schools and didn't know any of my classmates. Little did I know then, that Mrs Ackerman would become my all-time favourite teacher.

Mrs Ackerman was middle-aged, but looked much younger because of her freckled face and rosy cheeks. She never wore make-up, and dressed in casual clothing. Amazingly, she looked more like a college student than a teacher!

Mrs Ackerman also had a wonderfully warm personality. She was supportive and always encouraged us to try and do our best. Her lessons were never boring, as her classes were always filled with interesting things to do. We would sing
